

INTRODUCING

VANTEC'S TOTAL CARE PACKAGE

Vantec RV Care is excited to introduce our Total Care Package to the world of RV's. Drawing on Vantec's long history of helping owners maintain their RV's this package will keep the exterior and interior of your RV looking better for longer. Once our valued customer decides to enhance their RV with our Total Care Package they gain enormous peace of mind knowing that their valuable asset is thoroughly protected.

The Total Care Package consists firstly of our industry leading ceramic coating being applied to the exterior of the RV. We combine this with our interior coating to provide protection for your soft furnishing's. Along with this superior protection of both the exterior and interior we provide you with a great range of Travel Buddy cleaning items that you can use to easily maintain and keep your RV clean. Our Travel Buddy's consist of our specially formulated Wash & Conditioner, pH neutral Citrus Cleaner, Ceramic Top Up. We provide you with a detailed Total Care Cleaning Guide and when used as instructed, your RV will never look better.

When the Total Care Package is implemented, you can be assured that your RV will keep its showroom look longer. By following our Total Care Package program Vantec RV Care will back your RV with a 5-year warranty on any new RV's. We also provide a 2-year warranty on RV's under 12 months of age (from first date of registration).

To make sure you get to enjoy your newly protected RV we have also included in our Total Care Package a 2 year complimentary Kui Parks membership which will enable you to travel far and wide in your fabulously protected RV and check out over 65 of their caravan parks in incredible locations. You even get a discount at these parks.

Why not invest in your amazing RV today by finding out more about our fantastic Total Care Package. Please see below to email our friendly team who would love to assist you.
